

DOCTORS' & DENTISTS' REVIEW BODY REPORT 2006/07				
The Review Body has recommended with effect from April 2006 a general increase of 2.2 per cent for junior doctors and consultants.				
Staff and associate specialists and other non-consultant career grades will receive an increase of 2.4 per cent.				
For salaried GPs employed by PCOs it recommended a salary range of £50,332 to £76,462. It also recommended that the GMP trainers grant should be uplifted by 2.2 per cent				
London weighting will remain at £2,162 per year.				
The government has accepted all the DDRB's recommendations.				
The government will implement the increase all grades except consultant from April 2006. Consultants will receive an increase of 1 per cent from April 2006 and the balance will be paid from November 2006.
